

## INVITATION

Abei Energy Ltd are proposing to build a ground mounted 35.2-megawatt solar farm on approximately 49 hectares (121 acres) located approximately 360m south of Dale Abbey village, in the borough of Erewash, Derbyshire.

We will be holding a public drop-in exhibition at:

**The Gateway Centre, 1 The Stackyard, Dale Abbey, Ilkeston DE7 4PN**  
between **3pm to 8pm on Wednesday 26th February 2025**

We would be delighted if you can attend to learn about the project and ask members of the Abei Energy team any questions you may have. Alternatively, please view our web page. We will be looking to submit a planning application in the second quarter of 2025 so any comments or questions will be most welcome beforehand so we can take them into account.
